

Ventripoint Announced as Gold Sponsor for the 8th Annual Paediatric Echo Society Symposium

Toronto, Ontario – The Newswire – September 08, 2023 - Ventripoint Diagnostics Ltd. ("**Ventripoint**" or the "**Company**"), (TSXV:VPT; OTC:VPTDF) is pleased to announce its participation as a Gold Sponsor for the highly anticipated 8th Annual Paediatric Echo Society Symposium. The event will take place in Orlando, Florida on September 9th, 2023.

The Paediatric Echo Society Symposium, a nation-wide event, is staged by Advent Health for cardiologists and sonographers. The symposium aims to foster collaboration, share cutting-edge research, and discuss best practices in paediatric echocardiology. The symposium will feature an array of educational sessions, panel discussions, and demonstrations.

Ventripoint will have a prominent presence throughout the symposium, showcasing the latest diagnostic advancements of the VMS+ and hosting an interactive booth, offering attendees the opportunity to engage with the team and experience the VMS+.

"We are thrilled to be a sponsor for the 8th Annual Paediatric Echo Society Symposium," said Dr. Alvira Macanovic, President and CEO of Ventripoint Diagnostics. "This event promises to be a great platform to exchange knowledge and experiences among experts in the field of paediatric cardiology."

About Ventripoint Diagnostics Ltd.

Ventripoint has become an industry leader in the application of AI (Artificial Intelligence) to echocardiography. Ventripoint's VMS products are powered by its proprietary KBR technology, which is the result of a decade of development and provides accurate volumetric cardiac measurements equivalent to MRI. This affordable, gold-standard alternative allows cardiologists greater confidence in the management of their patients. Providing better care to patients serves as a springboard and basic standard for all of Ventripoint's products that guide our future developments. In addition, VMS+ is versatile and can be used with all ultrasound systems from any vendor supported by regulatory market approvals in the U.S., Europe and Canada.
